INTRODUCTION

The Techno 293 Class is devoted to fostering the development of windsurf racing for competitors under the age of 17 years old around the world through the promotion of an inexpensive racing format.

The Techno 293 hulls, hull appendages, rigs and sails shall only be manufactured by Bic Sport or their appointed manufacturers. Such equipment is required to comply with the Techno 293 One Design Building Specification and is subject to an ISAF approved manufacturing control system.

After Techno 293 hulls, hull appendages, rigs and sails have left the manufacturer, they may only be altered to the extent permitted in Section C of these class rules.

Rules regulating the use of equipment during a race are contained in Section C of these class rules, in the Equipment Rules of Sailing Part I and in the Racing Rules of Sailing.

This introduction only provides an informal background and the Techno 293 Class Rules proper begin on the next page.
