

World Sailing Recognized Notified Bodies

The structural plan review will be undertaken by World Sailing recognised notified bodies. These are organizations that are able to carry out assessments and issue CE certificates for the European Recreational Craft Directive and have also been recognized by World Sailing.

World Sailing recognition is given to notified bodies that have demonstrated experience with ballasted sailing yachts, operate an ISO recognized quality management system and also undergo regular auditing by their national accreditation body. The list of World Sailing Recognized Notified Bodies is as follows:

DNV GL SE

Brooktorkai 18
