4.4 Damage Costs System

4.4.1 World Sailing does not require MNAs or competitors to lodge damage deposits prior to racing. By entering the Event, MNAs expressly agree to follow and comply with this damage costs system without delay or dispute.

4.4.2 By entering a competitor in each Event, an MNA is liable on behalf of their competitor for up to €300 of damage costs per incident/per boat. An “incident” is each separate instance of damage being identified by the Organizing Authority or its representatives.

4.4.3 The TD, on behalf of the Organizing Authority, will make all decisions on liability or the quantum (amount) of any damage. Subject to rule 62, the decision of Technical Delegate is final and MNAs and competitors agree to accept it without dispute.

4.4.4 If an MNA is assessed liable for damage costs, the TD will issue a damage notice and send it to the MNA Representative at the event. The MNA representative shall pay the amount stated on the damage notice to the Organizing Authority prior to any further participation in the Event.

4.4.5 Failure to comply with a damage notice is a breach of this Appendix and the TD may take any of the following actions:

a. disqualify the competitor in question (and any other competitors from that relevant MNA) without a hearing from any races sailed;

b. exclude the competitor (and any other competitors from that relevant MNA) from further participation in the Event; and
c. re-allocate any prizes immediately to other competitors.

This amends RRS 63.1.

4.4.6 The TD may amend or cancel a damage notice at any time and may reinstate any competitors disqualified or excluded.

4.4.7 In the event any damage notice is not paid by the end of the Championships, World Sailing will issue an invoice for the same amount to the MNA. Failure to settle this invoice will mean that the MNA is not in good standing with World Sailing and may be suspended from World Sailing membership by the World Sailing Board.

4.5 A damage deposit by way of credit card authorisation will be required by the accommodation for possible damage to the accommodation premises or for services provided by the accommodation such as additional food, drink and the use of telephone(s), etc.

5 Equipment, Accommodation and Meals

5.1 Accommodation and meals will be provided to all participants, starting from the midday meal on 12 December 2020 and ending with the breakfast meal on 19 December 2020.

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

6.1.1 They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;

6.1.3 They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;

6.1.4 By participating in any race, they are satisfied that their boat is in good order, complying with the class rules, is equipped to sail in the event and they are fit to participate;

6.1.5 The provision of a race management team, patrol boats, umpires and other officials and volunteers by the organiser does not relieve them of their own responsibilities;

6.1.6 The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
6.1.7 It is their responsibility to familiarize themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue/event and attend any venue/event safety briefings held for the event.

(ii) National Authorities will then be ranked in order of lowest to highest and the National Authority with the lowest score will receive one point, the second will receive two points and so on.

(iii) If an event does not race on a day, all nations will receive, for that event, points one more than the number of National Authorities entered in the regatta.

(iv) If National Authorities have equal points, the points for the place for which the National Authorities have tied and for the place(s) immediately below shall be added together and divided equally.

17.4.2 Each National Authority’s day score will be the total of their best four scores from all events.

17.4.3 Each National Authority’s Nations Trophy score will be the total of their day scores. The National Authority with the lowest Nations Trophy score wins and others will be ranked accordingly.
17.4.4 If there is a Nations Trophy score tie between two or more National Authorities, they will be ranked in order of their day scores on the last day. Any remaining ties will be broken by using the tied National Authority’s day scores on the next-to-last day, and so on until all ties are broken.

18 International Jury

An International Jury will be appointed in accordance with rule RRS 91(b). Its decisions will be final as provided in RRS 70.5.
