

REPORTING COMMITTEE – OFFSHORE

OTHER COMMITTEE – EXECUTIVE

ISAF Offshore Team World Championship

Regulation 18.7

A submission from the Offshore Racing Congress

PROPOSAL:

That the Offshore Racing Congress be officially recognized as an organizing authority for the Offshore Team World Championship beginning with the second edition of the event, 2006.

To amend Regulation 18.7 as follows:

18.7 The IMS may hold an annual World Championship in the following classes: ILC 25, IMS 30, IMS 600, IMS 50, Maxi Class and IMS Offshore **and Offshore Team Championship** provided that:”

CURRENT POSITION:

See above

REASON:

On its initiative, the Offshore Racing Congress invested several years of planning and negotiation in the organization of this new event, leading up to the first presentation of the Offshore Team World Championship this year. It is only fitting and proper that the ORC be officially recognized on an ongoing basis as an organizing authority for the event, including ORC participation in planning, notices, and sailing instructions, as well as representation on the jury and measurement committee. This was already agreed in principle November 2003 and now requires recognition in the Regulations
