Regulation 17.4.10

A submission from the International Mistral Class Organization

**Proposal:**

- That the Mistral One Design shall be the equipment for use at the 2006 ISAF Youth World Championship.

**Current Position:**

- The MOD has been the equipment used for the ISAF Youth World Championship for 8 years at least.

**Reason:**

- The MOD is well distributed world wide with at least 30.000 boards sold in 13 years.
- B&M have signed a new agreement with the IMCO guaranteeing to stock spare parts for the old and new models of the MOD
- MNAs need a period of transition to allow them to invest in new RS-X equipment
