

Class Rule Changes

International Kiteboarding Association

Effective date: 2026-05-08

Status: Approved

Amendment One

CLASS RULE C.9.1.(B)

Amend to read:

~~Handle Bars~~ A handle bar or **crew harness** shall have a quick release system that allow to disconnect the handle bar from the **crew harness** with a single hand movement.

Amendment Two

CLASS RULE C.3.3.(A)

Amend to read:

A **crew harness** ~~which shall have positive buoyancy in fresh water and as permitted by RRS 50.1(b)~~ with a maximum permitted weight of 2.6kg. When a quick release mechanism is attached to the **crew harness** its weight is included in the total weight of the **crew harness**.
